XBOX 360..Q: Grails 2.4.3 Validation error expected String or Blob got [class java.lang.String] I tried to create a new user but got an error: Unable to create user due to the user validation error: expected String or Blob got [class java.lang.String] I checked the suggestion in groovy.lang.IllegalArgumentException: Unable to create user: expected String or Blob got [class java.lang.String] But I did not solve the issue. Can someone help me? User class: package code import grails.validation.Validateable class User implements Validateable{ static constraints = { password blank:true, validator: { def value = new UserPassword() if (it == null ||!it.password.equals(value.password)){ return "password.blank" } } } } UserPassword: package code class UserPassword { String password } A: Also I got the same error. To fix it change your class' name to User.class instead of code.User A: The only reason I can think of that this would happen 3e33713323
